Hollow Fiber

SBS ZIPPER

Our zipper is made of SBS, so it can resist the temperature change easily.

DRAFT COLLARS

Prevents the warm air from escaping and cold air from entering.

WATERPROOF

Our sleeping bag is made of 350T Polyester with coating, so it can resist water and cold air.

DRAFT TUBES

Prevents the warm air from escaping and cold air from entering.

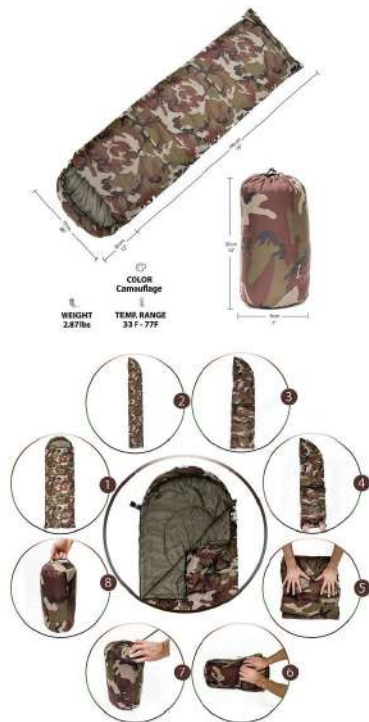

FLEECE SLEEPING BAG

CAMOFLAGE SLEEPING BAG

Half-circle hood with adjustable drawstring keeps your head warmer.

Magic sticker tape, to fix neckline and prevent zippers from slipping.

The dual-sided locking zippers make it easier to get in and out.

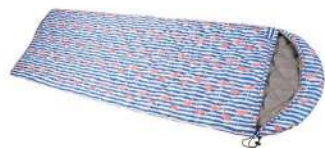

A free compression sack let you take it anywhere easily.
